## Message from Mayor Jon Hornik

Recycling is an important municipal function. Not only does recycling allow us to be considerate of our environment, but offering this service allows the town to apply for grants and rebates, which ultimately improve services and reduce costs for residents. Our recycling program is only successful with your cooperation. Resident participation and adherence to the recycling schedule keeps our roads clean and safe while preventing pollutants from entering our Township's water bodies.

Please use this official recycling calendar as a resource so we can continue to work together on this important effort. The Recycling Calendar is available on our website at [www.marlboro-nj.gov](http://www.marlboro-nj.gov). Changes to our curbside collection program due to holidays or inclement weather are sent via email, social media and posted on our website. Follow Township of Marlboro – Government on Facebook and @Marlborotownship on Instagram.

We continue our hybrid leaf removal with a fall piled leaf collection and two additional bagged leaf collections. Making the fall curbside piled leaf pickup 'To Be Announced' allows us to begin leaf pickup based on how the season progresses and when the leaves drop. This hybrid approach including both methods, piled and bagged pickup, has proved successful, providing residents with the services they enjoy while adhering to EPA guidelines.

In our growing community, it is no longer a viable option to blow leaves into the street as they fall. With over 16,000 residences and 300 miles of roadway, it takes our Department of Public Works a month to pick up all of the leaves. Piled leaf pickup cannot be timed to collect every leaf that falls, but it does allow us to collect most of the leaves curbside leaving less to bag.

- Weather changes have made it impractical to determine far in advance when leaves will begin to fall
- Early snow/freeze makes it more difficult to pick up leaves piled in the street
- Leaves piled in the streets block the flow of traffic, get slippery, and can foster ice patches, making our streets less safe – especially for youth
- Loose leaves blow back onto the yards they were removed from, requiring that the removal process begin again
- Loose leaves block storm drains and cause flooding. Excess leaves that enter our storm drains and waterways cause an increase in phosphorus and nitrogen which can lead to algae blooms, create toxins, and impact waterfront economies

Follow the guidelines set forth in this publication. Violations impact public safety, interfere with snow removal and increase flooding and icing. Whether it be brush, leaves or bulk items, please keep the following in mind.

- Place debris on your property near curb, not in street, no more than a week prior to first collection date in your zone.
- The Marlboro Office of Emergency Management (OEM) may cancel or postpone curbside collection due to weather conditions.
- Notice of changes and emergency updates are made via Township email blast, social media, SWIFT 911 Police calls, and on the webpage. Register for communication options on our website.

Public Works projects, such as recycling or roads, cost money. The good news is that due to our superior financial position and triple-A bond ratings from S&P and Moody's, we have been able to direct more funding toward our roads. My \$35 million / 7 year road program announced in 2022 is underway. Most of Marlboro was developed in the 1980s and 1990s with no management plan for the future. Aging infrastructure coupled with severe weather and aggressive snow removal has taken a toll on our roads. Road repair is DPW's primary focus during the summer months so no lawn debris is collected at that time.

Our Clean Communities Program has opportunities to volunteer. Your family, neighborhood or organization can be part of our Adopt a Site initiative. If you are interested in these or other volunteer opportunities, feel free to call the clean communities coordinator at 732-536-0200 x1808

We continue to strive to give the best service to our residents. We have moved many processes online for ease of use. Our secure drop box, located in the Town Hall vestibule, is open 24/7 and can be used for all resident payments and documents for any municipal office. Visit the website for contact information and online permits and services.

To be informed of schedule updates for leaf collection and changes due to holidays and inclement weather please take a moment to register for email updates by scanning the QR code to the left. I thank you for being part of the work we are doing to keep our environment clean, our township safe, and maintain our quality of life.

Yours in Community,  
**Mayor Jonathan L. Hornik**

# AN IMPORTANT ENVIRONMENTAL MESSAGE

Marlboro Township remains committed to our local environment and the health and wellness of our residents. As part of our New Jersey Department of Environmental Protection (NJDEP) Stormwater Permit, Marlboro Township is required to reduce the amount of pollutants, discharging into the Township's water bodies. Harmful examples range from roadside litter and debris, sediments from erosion, nutrients and insecticides from lawn treatments, bacteria and pathogens from failing septic systems, salts from de-icing activities, to detergents from vehicle washings. These are environmental threats that as a community, we are all responsible for. Reduction in pollution through the State of New Jersey will directly improve the health of our streams and supporting habitats, therefore improving the quality of life for our population. In an effort to maintain our commitment, the Township has adopted several ordinances relative to pet waste, litter, improper disposal of waste, wildlife feeding, yard waste collection program and non-permitted connections to the Township storm sewer systems.

Please remember, rain water washes pollutants into storm drains that discharge into our streams and oceans! Everyone can do their part to prevent pollutants from entering our storm sewers:

- Follow the directions on your fertilizer bag, do not apply before it rains and use only when necessary. Use natural slow-release nitrogen fertilizers. Use a mulching mower to reduce the need for fertilizer. Practice Integrated Pest Management (IPM), focusing on long-term prevention of pests or their damage through techniques such as natural detergents, mechanical barriers, and use of resistant plant life varieties. Identify

pest species before spraying and use natural pesticides whenever possible. If needed, target chemical pesticides sparingly.

- Use drought-resistant native plants in gardens and beds. They require less fertilizer and water thereby reducing the amount of polluted runoff getting to storm sewers.
- Dispose of pet waste by placing it in a bag and throwing in trash or flushing down toilet without bag. Animal waste contains coliform bacteria, which is harmful to our health.
- Recycle used oil at certified facilities and maintain your vehicle to prevent leaks.
- Take your car to a service center to change oil or antifreeze. If you do change your own fluids, do it in a garage so it's not exposed to rainwater and NEVER discard oil, gas or antifreeze into storm sewers.
- Take your car to a carwash where water gets treated and recycled, or use a natural biodegradable cleanser.
- Pick up litter on your property and put it in the trash. NEVER throw litter and debris directly into storm sewer, including cigarette butts. Trash in the storm drains not only pollutes our waterways but clogs our storm drains which exacerbates street flooding.
- Bag leaves in bio-degradable paper for pickup or mulch in place to prevent clogged storm sewers and excess nitrogen and phosphorus in run off.

Let's work together to keep our waters clean! If you see trash in the street, built up on storm grates or on the lawn please remember that it ends up somewhere: in our local creeks, streams, ponds, river and eventually the ocean. Make a difference, pick it up and reduce water pollution.

**Protect our water and our environment.**

The Marlboro Township Department of Public Works (DPW) is responsible for leaf, brush, and snow removal as well as general repair for over 850 named streets, covering over 300 miles of roadway, parking facilities, creation and placement of road signage, line striping and public information signs.

DPW maintains over 400 acres of Township parks, playgrounds and recreation areas, as well as all vehicles and fuel for the Board of Ed, Water Utility, Fire Companies and First Aid Squads.

## DID YOU KNOW?

DPW maintains all facilities including the Municipal Complex, the recycling yard, the Municipal Swim Club, Recreation Center, Public Library, Morganville Senior Center and all First Aid Squads.

DPW in partnership with Monmouth County hosts paper shredding and recycling events.

When available, residents can bring a container and shovel to the recycling yard and take home composted material for your garden.

# MARLBORO TOWNSHIP DEPARTMENT OF PUBLIC WORKS

The Department of Public Works (DPW) is responsible for the maintenance of all public property including roadways and infrastructure. Among many functions, the Department manages the recycling, leaf, brush and bulk waste collection programs, is responsible for the upkeep of park and recreation facilities and the removal of snow from roadways.

The Township is divided into zones for purposes of scheduling and delivering services in the most efficient manner possible. On an annual basis, DPW publishes this calendar of services.

The Township provides numerous leaf and brush removal pickup dates, which means that debris is in or near our road and sidewalk areas during many months of the year. It is critical that all debris be placed for pickup in accordance with the published schedule and regulations of the Township. **All collections must be placed on property near curb per schedule in calendar. After the pickup period has passed and the streets have been cleaned, no additional debris may be placed curbside until the next scheduled pickup for your zone.** Aside from detracting from the appearance of our Township, debris left in the streets impedes the flow of stormwater and exacerbates flood conditions. It causes traffic and safety hazards for pedestrians, bicyclists and motorists and interferes with snow removal during the winter months. Landscapers or residents placing debris for collection in an unauthorized manner shall be required to remove the waste from the public right of way. At any time of year, but especially during the winter, with leaf and brush removal coinciding with snow and ice accumulation, schedules necessarily become weather dependent. Complicating matters, trucks used for leaf and brush removal are also used for snow and ice removal. For example, trucks outfitted with sanders to treat the roadways cannot be utilized for leaf and brush pickup. As such, all curbside pickups are “*Weather Permitting*”. Based upon weather conditions and forecasts, the Office of Emergency Management (OEM) will determine if recycling, leaf, or brush collections will proceed according to the schedule. Residents will be notified in advance via Township email and social media if a collection will be postponed or cancelled, in which case no debris should be placed for collection.

## CLEAN COMMUNITIES/RECYCLING

New Jersey Clean Communities has served as a source of financial support for Township programs since 1986. Specifically, program dollars have been utilized to offset the cost of recycling, park maintenance, road side cleanups, educational events and Community Pride Day. The Recycling Division Office also coordinates with volunteers to adopt and maintain areas of the Township. To “adopt a site” call Public Works 732 536-0188, or email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov)

1979 Township Drive, Marlboro 732 536-0188 [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov)

# HOW DO I DISPOSE OF ... ?

- **BATTERIES:** Household batteries are to be put in the trash. Rechargeable Batteries and Cell Phone Batteries are accepted at certain retail stores such as Batteries Plus, Home Depot and Lowes. Call 877-2recycle or visit <http://www.call2recycle.org/> for more information
- **BRUSH:** Picked up curbside as per schedule or may be dropped off at Recycling Center (see Brush collection ) or Monmouth County Reclamation Center
- **BULK TRASH “SPRING CLEAN-UP”:** Picked up curbside in spring but may be dropped off at Recycling Center. A free of charge bulk permit is required (See Bulk Trash).
- **CONSTRUCTION DEBRIS:** Not accepted at Town Recycling Center. Can be brought to County Reclamation center (see page 3) or curbside during bulk pickup.
- **ELECTRONICS:** Electronic items are accepted at the Recycling Center. No permit of fee. Includes TV, computer parts, almost anything with a plug.
- **FLUORESCENT BULBS:** Max of 5 bulbs may be dropped off at Recycling center. Certain retail stores like Batteries Plus, Home Depot and Lowes will accept.
- **GRASS CLIPPINGS:** Rutgers University recommends cutting grass and leaving it on the lawn. The Monmouth Reclamation Center, 6000 Asbury Avenue in Tinton Falls, 732-683-8686 accepts grass clippings and vegetative waste.
- **HAZARDOUS WASTE:** Includes paint, liquid gas, pesticides, car oil, car batteries and pool chemicals. Contact the Monmouth County Household Hazardous Waste Disposal Facility located at 3211 Shafto Road, Tinton Falls, 732-683-8686 ext.5210
- **HOUSEHOLD TRASH-SOLID WASTE:** Residents must independently contract for solid waste collection with a contractor that picks up in Marlboro like: Freehold Cartage 732-462-1001, Republic Services (Marpal) Disposal 732-542-2348, Interstate Waste 732-727-0247
- **LATEX PAINT:** Dried out paint cans with lids removed may be disposed of with other household trash.
- **LEAVES:** Place in biodegradable paper bags for curbside pickup per schedule. May be dropped of at Town Recycling Center (see Leaf Collection) or County Reclamation center (see Page 3). Loose leaf pickup scheduled as per calendar (see calendar)
- **MEDICAL WASTE OF “SHARPS” - FROM THE HOME:** Local Hospitals: CentraState 732-294-2574, Monmouth Medical 732-222-5200 and Jersey Shore Medical 732-776-4225.
- **PLASTIC BAGS:** Reuse when possible or recycle clean bags in bins provided at many retailers. Do NOT put curbside for recycling.
- **PRESCRIPTION DRUGS:** A drop box is available in the Marlboro Division of Police lobby, 1979 Township Drive, Justice Center. Open 24/7. Remove all personal identification information from labels before disposing. No sharps.
- **PROPANE TANKS:** Marlboro Recycling Center after valve has been left open for at least 24 hours.
- **RECYCLABLES, COMINGLED:** Comingled: NO plastic bags of any kind permitted curbside. Place cans, glass, bottles aluminum and plastic containers curbside in a rigid container-maximum 32 gallons. Mixed Paper: Bundle newspapers, magazines, cardboard, mixed paper. Picked up curbside or may be dropped off (see Recycling Collection)
- **REFRIGERATORS:** Appliances are picked up curbside in spring during Bulk Pickup or may be dropped off at the Recycling Center (see Bulk Trash)
- **TIRES AND RIMS:** maximum of 4 may be dropped off at Recycling Center. Tires and rims must be separated . A free of charge bulk permit is required (see Bulk Trash).

# RECYCLING COLLECTION

The Department of Public Works contracts with a private company for curbside recycling services. Recyclables are collected every other week by recycling zone and should be placed at the curb by 7:00am on the specified collection day. No pickup on Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Years Day. Special pickup days are noted in the calendar.

Recyclable containers should be rinsed and placed together (commingled) in an unlined, **rigid, reusable plastic container or garbage can**, no larger than 32 gallons. Covers should not be attached and both receptacle and cover should be labeled "RECYCLE". Only items at curbside will be collected.

Recycling not collected by evening? Leave curbside and email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov)

## COMMINGLED CONTAINERS

(containers rinsed, no lids, labels ok)

- Aluminum or glass food and beverage containers.
- Iron cans
- Plastic containers (clear or cloudy) with the symbol #1 or #2 (with screw top only)
- Pigmented plastic containers with the symbol #2 (no HDPE) narrow neck containers only (detergent, shampoo bottles)

## MIXED PAPER

- Newsprint
- Corrugated cardboard
- Magazines/Catalogs
- Cereal boxes
- Cardboard tubes (PT, TP, all paper removed)
- Printer/copier paper, office paper no wax liner, envelopes
- Junk Mail
- Wrapping paper—non metallic
- Cardboard must be bundled in 2' x 2' x 1' stacks.

NO PIZZA BOXES, ALUMINUM FOIL, FOIL PANS, GLASSWARE, CERAMICS, PAPER PLATES/CUPS  
NO PLASTIC BAGS CURBSIDE - RECYCLE AT GROCERY STORES WHERE ACCEPTED

## NO PLASTIC BAGS OF ANY KIND ARE PERMITTED AT CURBSIDE PICKUP

Plastic bags placed in recycling containers or recycling placed curbside in a plastic bag will prevent all recycling from being collected.

# RECYCLING CENTER

## HOURS OF OPERATION

- Mondays and Wednesdays: 8:00am - 1:30pm
  - Saturdays: 8:00am - 4:00pm
- May vary due to holidays. See Calendar.

## BULK TRASH PERMIT

A Bulk Permit (free of charge) is required to bring bulk trash to the Recycling Center. It can be easily obtained online at [www.marlboro-nj.gov/documents/forms-permits-licenses](http://www.marlboro-nj.gov/documents/forms-permits-licenses) - proof of residency required. Contact the Recycling office at 732-536-0188 Monday to Friday, 7:00am - 3:00pm or email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov) for more.

## GUIDELINES

- Marlboro residents with proof of residency only (Driver's License or utility bill).
- No vehicles with commercial, farmer or dealer plates.
- Only clean recyclables are accepted at the Center.
- No items may be left outside the fence when the facility is closed.
- No hazardous materials, concrete, bricks or construction debris are accepted.
- Leaves must be emptied from non-biodegradable bags or containers.
- Brush must be bundled in accordance with Township regulations.
- Propane tanks must be emptied with valves open for at least 24 hours.

## PUBLIC WORKS EMERGENCIES

The Recycling Center may close in the event of emergencies including snow or ice removal, and on holidays as noted in this calendar.

Recycling Center located 1979 Township Drive, off Wyncrest Road in Marlboro 732-536-9295 - [www.marlboro-nj.gov/departments/public-works](http://www.marlboro-nj.gov/departments/public-works)

# BULK/SPRING CLEAN-UP COLLECTION

The Department of Public Works contracts with a private company for the annual Spring Bulk Trash Collection and takes place by zone per schedule (see calendar). Place items on your property near curb, not in street. Items collected include household items such as sofas, chairs, tables, carpeting, refrigerators, washers, dryers, ovens, barbecue grills (without the propane tank) and toys. Items to be picked up must be placed neatly at the curb by 7:00am of the first scheduled pickup day. Once a street has been completed, the contractor will not return to that street.

## ITEMS INCLUDED AND CONDITIONS:

- Appliances such as refrigerators, washers and dryers must have doors removed (note that the contractor may collect these items in a separate pickup).
- Fencing, decking and other discarded lumber must be cut to a maximum length of four (4) feet. Treated lumber will not be accepted.
- All containers and drums must have one end removed to ensure that no liquid, chemical or hazardous materials are present.
- Separate metal from other debris.
- No single item may weigh more than 300 pounds, and the total items placed at any residence must not exceed more than five (5) cubic yards. Do not combine your bulk with your neighbor's bulk.
- All metal and wood swing sets must be disassembled and concrete footings removed for pickup.
- Remove or hammer down all nails from wood/construction debris or fencing.

## ITEMS EXCLUDED:

- Batteries (all types)
- Bricks
- Cardboard (Recycle curbside)
- Car Parts
- Closed barrels or drums
- Concrete or concrete filled items
- Items/Containers in excess of 300 lbs.
- Electronics (televisions, computers, etc.) may be brought to the recycling center. No permit or fee required.
- Dirt
- Excessive construction debris
- Hazardous materials
- Liquids of any type
- Paint in cans
- Propane tanks
- Rocks, stones or slate
- Tires
- Treated lumber or fencing
- Vegetative waste (grass, leaves, brush, branches, logs, tree stumps, etc.)

## 2024 COLLECTION SCHEDULE BULK TRASH ONLY

See Schedule by Zone on the back page

### 2024 COLLECTIONS AT A GLANCE

Bulk Collection Dates and Zones also detailed in

**Month by Month Calendar pages 4-15**

REGISTER TO RECEIVE EMAIL NOTICES AT [MARLBORO-NJ.GOV](http://MARLBORO-NJ.GOV)

## \*WEATHER PERMITTING\*

The Office of Emergency Management (OEM) will notify residents via email and social media whether or not collections will be suspended due to weather conditions, in which case no debris shall be placed curbside. Residents may bring bulk, leaves or brush to the Recycling Center. Refer to "Recycling Center Guidelines".

**RESIDENTS MAY BRING BULK TRASH TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.**

# BRUSH COLLECTION

Brush is to be placed curbside by 7:00am on the first day of the scheduled pickup week, free of leaves or other debris. Weather permitting, it generally takes approximately one week to complete each zone. Once a street has been completed, the Department of Public Works will not return to that street. For the safety of pedestrians and motorists, brush should be placed at the curb no earlier than one week prior to the first scheduled collection date.

All brush is to be cut to a maximum length of six (6) feet and a maximum diameter of four (4) inches and should not exceed fifty (50) pounds in weight. Branches less than one inch in diameter shall be tied in neat bundles no more than four (4) feet in length and two (2) feet across. The total amount placed for any single collection shall be no more than ten (10) cubic yards or three (3) feet by three (3) feet by thirty (30) feet. Brush comingled with leaves, grass, rocks, stumps, construction debris, fence posts, etc., trash or recyclables will not be collected.

## 2024 COLLECTION SCHEDULE BRUSH ONLY

See Schedule by Zone on the back page

### 2024 COLLECTIONS AT A GLANCE

Brush Collection Dates and Zones also detailed in  
**Month by Month Calendar pages 4-15**

REGISTER TO RECEIVE EMAIL NOTICES AT [MARLBORO-NJ.GOV](http://MARLBORO-NJ.GOV)

### NEVER BLOW OR PLACE LEAVES OR BRUSH IN STREET

Leaves and brush may not be blown or placed in the street or block the right-of-way. It can cause flooding, traffic safety issues and is dangerous for pedestrians, motorcycles and bicyclists.

# LEAF COLLECTION

Leaf pickups will be bagged or piled as per schedule below. Biodegradable Paper Leaf Bags are available through our Department of Public Works at no charge (SEE PAGE 21). **NOVEMBER AND DECEMBER PICKUP SCHEDULE TO BE ANNOUNCED.**

**FOR SCHEDULE UPDATES GO TO [MARLBORO-NJ.GOV](http://MARLBORO-NJ.GOV) REGISTER FOR EMAIL NOTICE**

Leaves to be picked up must be placed on your property near the curb, not in street, by 7am on the first day of the scheduled period for your zone per dates indicated. Leaves commingled with brush or other debris will not be picked up. After a zone has been completed, the Roads Department will not return for late curbside placement. Homeowners and landscapers must follow schedule and leaf pickup regulations and are responsible for the removal of leaves if schedule and rules are not followed. Per NJDEP regulations and Township ordinance (Chapter 320, Section 15: 320 15) **Violations of schedule/regulations as specified are subject to penalties.**

**NOTE:** Weather patterns, wind, rain and snow impact leaf collection. Loose leaves spread on roads and properties, block storm drains, exacerbate flooding, icing, and road hazards, and cause an unsightly mess which can blow back onto neighborhood lawns. Decomposing leaves in streets cause excess nitrogen and phosphorus in the runoff to waterways, contributing to algae blooms having an adverse effect on water ecosystems and waterfront economies. These rules are critical for quality of life and public safety.

## 2024 COLLECTION SCHEDULE LEAF ONLY

See Schedule by Zone on the back page

### 2024 COLLECTIONS AT A GLANCE

Bagged Leaf Collection Dates and Zones also detailed in

**Month by Month Calendar pages 4-15**

**November/December piled leaf pickup TBA**

# CHRISTMAS TREE PICKUP — ALL ZONES — WEEKS OF JANUARY 8 AND JANUARY 15

RESIDENTS MAY BRING BRUSH OR LEAVES TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.

# GET YOUR FREE LEAF BAGS

Leaves must be placed in a biodegradable paper bags for bagged leaf pickup. Free bags are available to be picked up at the Department of Public Works at the Municipal Complex.

Each household is eligible to receive 25 free bags. Additional bags as available.

Registration Required.

Go to <https://www.marlboro-nj.gov/recycling>

Click “Apply for a Leaf Bag Registration”

Instructions will follow on where to pick up your free supply of biodegradable paper leaf collection bags.

# Frequently Asked Questions

## 1. What zone am I in?

Refer to the Street by Street zone listing in this calendar, call 732-536-9295 or email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov)

## 2. What happens if I put items out after the scheduled pick up date?

Recyclables, bulk trash, leaves and brush may be brought to the Municipal Recycling Center or you may contact a private hauler.

## 3. What should I do if my recycling collection is missed?

If you placed your recyclables curbside prior to 7:00am on your scheduled pick up day and recyclables are not collected by 5:00pm, call the Recycling Office at 732-536-9295 or email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov) with a photo if possible. This helps us to determine why your recycling was left behind.

## 4. How do I obtain a bulk trash permit?

Residents are permitted to bring bulk trash to the Recycling Center. A free of charge bulk trash permit is required. Permits can be easily obtained online at <https://www.marlboro-nj.gov/documents/forms-permits-licenses>. Proof of residency required. Contact the Recycling office Monday through Friday, 7:30am to 3:00pm. Call 732-536-0188 or email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov). Refer to “Recycling Center Guidelines”.

## 5. Who do I call if my street light is out?

Street lights are owned and operated by Jersey Central Power and Light (JCP&L). JCP&L can be reached at 1-888-LIGHTSS (888-544-4877)

## NJ PLASTIC REGULATIONS - EFFECTIVE MAY 4, 2022

In an effort to curtail the detriments presented by single use plastics, the New Jersey Senate and General Assembly have enacted regulations that ban many forms of single use plastic. Despite recycling efforts, which remain as important as ever, the legislature found that country wide, under 10% of plastic finds its way to being recycled. Most ends up in landfills, incinerators, or in waterways and oceans. In addition to this legislation, Marlboro Township remains committed to vigorous recycling efforts as described in this publication.

Starting May 4, 2022, New Jersey retail stores, grocery stores and food service businesses may not provide or sell single-use plastic carryout bags and polystyrene foam food service products. Single-use paper carryout bags are allowed to be provided or sold, except by grocery stores equal to or larger than 2500 square feet, which may only provide or sell reusable carryout bags. After November 4, 2021, plastic straws may be provided only upon the request of the customer.

### EXEMPTIONS FROM PLASTIC AND PAPER CARRYOUT BAG AND PLASTIC STRAW BANS:

- Bags used to contain uncooked meat, fish or poultry.
- Bags used to package loose items.
- Bags used to contain live animals.
- Bags used to contain food sliced or prepared to order, including soup and hot food.
- Laundry, dry cleaning or garment bags.
- Bags provided by a pharmacy to carry prescriptions.
- Newspaper bags.
- Any similar bag, as determined by the Department (DEP)
- Sale packs of paper bags and paper leaf bags.
- Sale of packs plastic straws, straws with juice box.

### EXEMPTIONS FROM THE BAN ON POLYSTYRENE FOAM FOOD SERVICE PRODUCTS (ALL EXPIRE MAY 4, 2024):

- Disposable, long-handled polystyrene foam soda spoons when required and used for thick drinks.
- Portion cups of 2 oz. or less, if used for hot foods or foods requiring lids.
- Meat and fish trays for raw or butchered meat, including poultry, or fish that is sold from a refrigerator or similar retail appliance.
- Any food product pre-packaged by the manufacturer with a polystyrene foam food service product.
- Any other polystyrene foam food service product as determined necessary by the DEP.

See New Jersey Department of Environmental Protection information including legislation, regulations, exceptions, penalties, enforcement, definitions and sources at <https://marlboro-nj.gov/boards-committees/green-team>

**1-888-LIGHTSS (1-888-544-4877)**

Dear Neighbor,

I am pleased to include this Surviving the Snow section in our calendar. It is a great winter resource that will familiarize you with important snow removal information and general winter emergency preparations.

Unpredictable weather conditions and unusual snow fall has become a regular part of New Jersey winters and this brochure offers tips and information on Surviving the Snow whether it is an early November light powder, a mid December ice storm or a late March heavy slush.

Our Department of Public Works is on the job day and night when expecting severe weather of any kind, with countless hours of prep before, and time in the field during and after a snow event. Snow is challenging and Marlboro Township has been a leader in keeping over 200 miles of roadway clear and safe. Our bagged leaf program has been initiated due to recent weather patterns where wind, rain and snow have impacted collection dates, spreading leaves on the roads and neighboring properties as well as blocking storm drains resulting in flooding, icing and road hazards. Your safety is our first concern.

We are fortunate to have volunteer First Aid Squads, Fire Departments and a Community Emergency Response Team (CERT), as well as a Police Department that is always ready to assist. For non-emergency situations, please call Marlboro Police at 732-536-0100. Always dial 911 for emergencies. Be assured that if you have an emergency, our teams will get to you, even if your street or driveway has yet to be cleared.

Please help by following the tips provided here, keeping informed and helping your friends and neighbors to do the same. Visit our website and register to receive news by phone, email and follow us on social media. If you do not have a computer you may register your phones by calling (732) 536-0100 ext. 1412.

Together as a community, we can weather any storm.

**Mayor Jon Hornik**

#### SNOW REMOVAL RULES

- No debris, including leaves, brush, garbage cans, basketball hoops shall be left in road. Anything in the road during snow event impedes Township's ability to clear streets, increases risk of damage to property and jeopardizes safety of equipment operators.
- When snow is on the way, all vehicles and obstructions must be removed from the roadways.
- Snow may not be shoveled, blown or plowed into the roadways.

#### SNOW REMOVAL FACTS

- Marlboro is 32.5 square miles and DPW is responsible for clearing over 200 miles of roadway. Private contractors are also secured.
- Roads are generally treated with de-icing agents two times during one storm event, prior to and following snow removal.
- DPW opens roads on the first pass and then plows curb- to-curb.
- In the event of 4 inches of snowfall, it takes approximately 10 hours to complete one circuit through the Township.

#### SNOW REMOVAL TIPS

- **Wait until DPW has made one pass before clearing driveway.**
- Parking vehicles in your driveway gives you less snow to remove and a drier surface.
- Arrange cars so that the first car that has to get out is the last parked in your driveway.
- When clearing snow, where possible, pile the snow to the right of the driveway (looking out to the street from your house).
- The United States Postal Service asks customers to clear enough snow from their mailboxes to allow mail trucks to approach the box, deliver the mail and drive away.
- Fire hydrants located on your property should be cleared of snow to prevent the lines from freezing and allow access in case of fire.
- To report a mailbox damaged during snow removal activities, please notify DPW via email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov).

## IMPORTANT INFORMATION

Marlboro Township is 32.5 square miles and

our **Department of Public Works (DPW)** is responsible for over **200 miles of roads**. This does not include State and County roads or roads in private developments.

**Roads are treated twice** during a storm event; before and after melt and re-freeze, and may be treated a third time if over 24 hours.

**It takes about 10 hours for DPW to clear a 4" snowfall.** More snow takes proportionately more time. For example, it will take about **20 hours to clear an 8" snowstorm.**

**All vehicles and any obstruction must be removed from the street** to allow for snowplow access.

**Do not shovel or blow snow into roadway.** This causes a hazardous condition and is a violation of Marlboro Township Ordinances.

**Parking on driveway** will decrease the amount of snow to shovel and allow for a drier surface when pulling out. Park vehicles on your driveway so that the first car that has to get out is the last one parked.

**Property Damage**, such as basketball hoops, hockey nets, potted plants, etc. that are damaged during snow removal are NOT the responsibility of Marlboro Township. Remove such items prior to snow fall. If **Damage to your Mailbox** occurs during plowing, please call Public Works at 732-536-0188.

**Please be aware** that snowplows will deposit snow at the end of your driveway. As plows drive by, snow will fall into an empty space. To lessen the volume, wait to shovel or leave 4 feet of snow at end of your driveway until after the snowplows have completed at least one pass.

**REPORT POWER OUTAGES TO JCP&L AT 1-888-LIGHTSS**

RESIDENT COMMUNICATIONS

MARLBORO TOWNSHIP POLICE WEBSITE: <http://www.marlbropd.org/>

Report outages 1-888-LIGHTSS or [FirstEnergyCorp.com](http://FirstEnergyCorp.com)

## KNOW THE TERMS

**Freezing Rain** - Rain that freezes when it hits the ground, roads, walkways, trees and power lines.

**Sleet** - Rain that turns to ice pellets before reaching the ground. Sleet causes roads to become slippery.

**Winter Weather Advisory** - Winter weather conditions are expected to cause significant inconveniences and may be hazardous.

**Winter Storm Watch** - A winter storm is possible in your area. Tune in to NOAA Weather Radio, commercial radio, or television for more information.

**Winter Storm Warning** - A winter storm is occurring or will soon occur in your area.

**Blizzard Warning** - Sustained winds or frequent gusts to at least 35 miles per hour, falling or blowing snow, reduced visibility conditions lasting 3 or more hours.

**Frost/Freeze Warning** - Below freezing temperatures are expected.

## CHECK YOUR CAR

**Check or have a mechanic check your car:** Antifreeze levels, battery and ignition system, brakes, exhaust system (carbon monoxide is deadly and usually gives no warning), fuel (a full tank prevents fuel line from freezing), air filters, heater and defrost, lights and hazards, oil (heavier oils may congeal in cold and may not lubricate as well), thermostat, Windshield wipers, good winter tires - (consider chains or studded snow tires). **Have on hand:** scraper, portable shovel, sand and/or salt, snacks, boots, warm gloves, car lock de-icer.

**Before winter approaches**, add these supplies to your emergency kit and assure that these are accessible in extreme snow conditions:

**Rock salt** or more environmentally safe products to melt ice on walkways. Visit the Environmental Protection Agency for a complete list of recommended products.

## SUPPLY YOUR HOME

**Sand** to improve traction.

**Snow shovels** and other snow removal equipment.

**Sufficient heating fuel.** You may become isolated in your home and regular fuel sources may be cut off. Store a good supply of dry, seasoned wood for your fireplace or wood-burning stove.

**Adequate Clothing and Blankets** for warmth.

**Water Proof Gloves and Boots** on hand.

**Weather Sealing Tape** to temporarily address drafts or broken windows due to storm damage.

**Flash Lights, Batteries and Portable Chargers** in case of power outage.

## It is critical to STAY INFORMED

Information is available through a variety of electronic options including Email Notices, Swift 911, Facebook and Twitter. Please visit our website at [www.marlboro-nj.gov](http://www.marlboro-nj.gov) and submit your email in the blue box. Follow the link to Communications for Residents for all options. Consider any or all of these forms of communication which can be registered for using this one easy link. Paperless options are an immediate, cost effective and environmentally sustainable way of communicating with our residents. By providing a variety of communication methods it is our goal to be able to communicate with every resident even when some lines of communication are disrupted during weather emergencies.

**November and December Piled Leaf Pickup TO BE ANNOUNCED**  
 Scheduling subject to weather conditions.  
**REGISTER TO RECEIVE EMAIL FOR UPDATES**  
 go to: [marlboro-nj.gov](http://marlboro-nj.gov)  
 -or- Scan QR CODE

**SUMMER ROAD PROGRAM**  
 Streets Free of Debris Allow DPW to Complete Road Maintenance  
**ALWAYS CHECK THE CALENDAR**  
 Pickups must be curbside by 7am on the first day of scheduled week by zone.

**FOLLOW SCHEDULE AND RULES**

**THANK YOU**

**ALL CURBSIDE COLLECTIONS ARE WEATHER PERMITTING**

**All scheduled pickups should be placed on property, near curb, NOT IN STREET.** Due to weather conditions, all curbside collections are subject to re-scheduling/cancellation by the Marlboro Township Office of Emergency Management (OEM). Residents will be notified of changes via email, social media, and the Township Website when NO debris can be in or near the street. For that reason, **nothing should be placed curbside earlier than one week prior to schedule.** Visit [www.marlboro-nj.gov](http://www.marlboro-nj.gov) to Register for Schedule Change Notices or scan QR CODE
